81.3	A copy of the schedule showing the Accounts and reconciled bank account balances for the first quarter to 30.06.18 had been forwarded to all members. RESOLVED this be approved.																			
81.4	RESOLVED that two new litter bins be purchased from Broxap for installation on Bellinge Field – one to be placed adjacent to the football area and the other at the top of the field.	GSM																		
82	Other Matters																			
82.1	A draft of the new Records Retention Policy had been forwarded to all members. RESOLVED this be adopted without amendment.																			
82.2	Billing Fayre. A debriefing session regarding the Fayre had taken place immediately prior to the meeting. It was agreed that the day had been a great success no doubt helped by the wonderful weather. The donkey rides were very popular and it was agreed to book them again for next year; as was the crockery smashing stall and old crockery will be collected throughout the year. Steve Bishop said he had contacts with cricket, rugby and football and it was agreed that this would be discussed in the planning meetings prior to next year's events. The date for the 2019 Fayre will be Saturday 29 th June.																			
82.3	<p>Cllr. Brede reported on the stakeholder meeting held on 3rd July regarding the proposed local Government reorganisation of Northamptonshire:</p> <ul style="list-style-type: none"> ➤ ORS assured everyone that this is not a foregone conclusion though the MPs and Councils appeared to be in favour of, or resigned to, the 'two state' solution for Northamptonshire. This was appreciated as the vast majority were in favour of separating Northampton from the other unitaries for a variety of reasons. ➤ Envisaged savings are around £12M which appears trivial considering the expenditure of all the authorities involved, the expected transition costs and quoted £22M redundancy. ➤ There was also talk of 'a clean slate' for the new authorities – however, this may not include the £1M - £1.4M debts of NCC. ➤ The equalisation of council tax would badly hit SNC residents. ➤ It was felt, for example, that residents in, say, Brackley do not appreciate problems that residents in Northampton may have, and vice-versa.

82	<i>Other Matters (Continued)</i>	
82.3	<ul style="list-style-type: none"> ➤ Due to tight timeframe for consultation it is recommended that all responses are completed electronically via the website. Paper copies are, however, available from libraries and the council offices. 	
82.4	Reductions in winter gritting announced by the County Council. RESOLVED that Cllr. Kilbride is asked to protest at these cuts on behalf of the Parish Council.	
82.5	RESOLVED that a notice be installed at the entrance of the pavilion car park stating that it is a private car park and vehicles not associated with the hire of the pavilion are liable to be locked in overnight.	
83	<i>Updates</i>	
83.1	RESOLVED that a barrier to deter motor cyclists would be installed at the end of the pathway running alongside the old school site in Great Billing, subject to a suitable design and acceptable cost being obtained. It was noted that motor cycle nuisance is a real problem throughout the whole parish although the police off-road motor cyclists have been out on a fairly regular basis. Riders are removing number plates to avoid being traced but residents were asked to possibly photograph perpetrators or get as detailed description of the motor bikes as they can.	
83.2	Proposed barrier to prevent travellers accessing site adjacent to Ecton Brook School. Ongoing.	
84	<i>Leisure and Recreation</i>	
84.1	The GSM reported that work is proceeding well in Bellinge Field and he thanked the volunteers for all their hard work. He had installed the first bench at the top of the field. Unfortunately a wind got up when a bonfire was lit last month which blew the smoke about and although there would have to be another one in the future, this will not be done yet.	
84.2	<p>Little Billing Pocket Park. The following reports had been received from Michael Clasper:</p> <p>“There was a volunteering session at Little Billing Pocket Park on Saturday 23rd June from 10.00 am to 12 noon. Three volunteers trimmed the path edges, cleared litter and undergrowth adjacent to the picnic area, and strimmed the cleared area north of the Orchard. The next session will take place on Saturday 7th July”.</p> <p>“There was a volunteering session at Little Billing Pocket Park on Saturday 7th July. Six volunteers picked and removed litter, strimmed the areas north of the orchard, adjacent to the picnic area, and the path edges. The next session is scheduled for Saturday 21st July”.</p>	
85	<i>Councillors Reports Not Covered Elsewhere</i>	
85.1	<p>Cllr. Nash reported:</p> <ul style="list-style-type: none"> ➤ He was sorry to report the sad death of Mr. Watson, Sports and Maths teacher at Bellinge Campus. ➤ There was a water leak at Bellinge Community House. The leak itself has been stopped but there is still work to be done. ➤ They now have a wooden Union flag!

85	<i>Councillors Reports Not Covered Elsewhere (Continued)</i>	
85.2	Cllr. Mrs Worthington said she had been approached by St. Andrews CE School governors to ask if they could place banner(s) in the parish advertising pupil vacancies for the new school year commencing this coming September. She was advised that planning permission would be required but also there did not appear to be anywhere that would be suitable.	
85.3	Cllr. Pearson enquired as to the ownership of the driveway to the playing fields at Great Billing. Cllr. Rockall will check with Land Registry. He also expressed concern again at the neglect of the ponds at Fishers Close. It would appear that one of the 'ponds' is not a pond at all; it was excavated for roadstone or sand and there is no water supply to it. Cllr. Brede is to walk the area and possibly take photographs.	SR DB
85.4	Cllr. Brede advised that there is hogweed along by the Washbrook, which has been reported.	
85.5	The Chairman read out a letter from Patrick Henesey which thanked everyone for their assistance during his time as Councillor.	
86	<i>Closed Session</i>	
86.1	The Clerk informed the Council of the problems that had arisen with regard to the Council's cessation of the Local Government Pension Scheme, the anticipated costs involved, and the proposal to alleviate this. This had already been discussed in full with the Chairman and Vice Chairman. After discussion the Clerk was given full authority to proceed with whatever steps were felt necessary.	
87	<i>Date of Next Meeting and Closure</i>	
87.1	There being no further business the meeting was closed at 9.20 pm. Next Meeting – 7.30 pm on Monday 10 th September 2018 at the Bernard Weston Pavilion. PLEASE NOTE THERE WILL BE NO MEETING IN AUGUST.
